For nearly 20 years, Knight Aviation & Logistics has served the resource sector in Western Canada with Air Charter and Workforce Travel Management Solutions.

Valuing our transparent and longstanding relationships, we navigate our day-to-day with the mantra "Do the Most Right Thing".

Knights offers a unique affiliation of partners and vendors – each with specialized services. Our team was inspired by the recognition that we shared core values, goals, expertise, and passion for air charter managed byworkforce logistics. By bringing knowledge and unparalleled service together, we now make the process of air charter and travel logistics easier, more efficient, and more complete than ever before.

With our head office in Calgary, Alberta Knight provides end-to-end travel management solution; adding efficiency and value to your day-to-day.
